ARCHY AND MEHITABEL AT GOULD, SATURDAY, OCT. 15

On Saturday, Oct. 15, the Gould Academy Drama Department will present a "back alley opera" at 3:30 p. m. in the Bingham Hall Auditorium. This work based on the stories of Don Marquis, the libretto by Joe Darion and the music of George Kleinsinger, is a lively extempo view of a big city from the underside. Archy, a poetic cockroach, and Mehitabel, the cat, are the stars of this fast moving and very funny musical.

Tory Gressinger

The cast includes Eric Winn as Archy, the newspaperman, Clay Smith as Mehitabel, and Vance Anderson as Big Bill.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The 108th Legislature passed into law, effective Oct. 24, 1977, a 12 month residency requirement for the purchase of a resident hunting and/or fishing license. Under the old law, there was a three month State of Maine residency requirement. New residents that have been here for three months should obtain their license before Oct. 24, 1977.

Resident licenses are ONLY available at the Town Office. To assist hunters, the Town Office will be open Saturday mornings, Oct. 29 and Nov. 5, from 8 a. m. to 11 a. m. in addition to the regular Monday-Friday 8 a. m. to 5 p. m. hours. Resident licenses are \$7.50 and non-resident licenses are \$80.50.

The Board of Selectmen met Monday evening, Oct. 10, and acted on a variety of items. Doris Mills and George Gould met with the Board to discuss the snowplowing at the private road adjacent to their properties. The discussion centered around how the road could be improved, and the procedure for acceptance of the road for winter maintenance. The Town Manager and Highway Foreman are to work with them to help solve the problem.

The Board discussed a proposal from the P. H. Chadbourne and Co. to help stockpile the Town's winter sand for use of about 300 yards of sand. The Board directed the Manager to obtain more details from Bob Chadbourne and report back to them at their Tuesday meeting.

There were no bids received on the old snowplow. The Board authorized the Manager to see about selling the old snowplow through a snowplow dealer.

The Board accepted with the regret the resignation of Asher Runnels as Dog Officer effective Oct. 15, 1977, and directed the Manager to send a letter of thanks to Asher for his dedicated service to the Town. The Manager was authorized to advertise for a Dog Officer. Individuals interested in the position should contact the Town Manager's Office.

The Manager reported that a draft of the Airport Master Plan grant application and contract had been received and that he was in the process of reviewing it with the consultant.

The Board held a short executive session to discuss a personnel issue and a contract.

On Tuesday night, Oct. 11, the Board of Selectmen met with representatives from four consulting organizations relative to upgrade work on the Town's sewer system. Firms interviewed included Hunter-Bailey Associates; Wright, Pierce, Barnes & Wyman; Environmental Engineers Inc.; and Dubois & King. Following discussions the Board directed the manager to set up times for town officials to visit plants engineered by the firms of

HISTORICAL SOCIETY MEETS — RECENT GIFTS NOTED

Some 30 individuals were present for the October 6 meeting of the Bethel Historical Society held in the meeting room of the Moses Mason House on Broad Street. Mrs. Cathy Newell, vice-president of the Society, conducted the meeting in the absence of President John Willard.

Preceding the meeting, Mrs. Newell highlighted a temporary exhibit entitled, "An Album of Bethel Originals" which had been arranged especially for that evening. She explained that many of the photos on display needed identification or were unusual in nature. Also emphasized with the fact that many of the photos had never before been put on public display and that the Society's regular policy of displaying only reproductions (artificial and natural light cause rapid fading in old photos) had been waived for this occasion. A report from Randall Bennett on recent activities of the Education and Research Committee was also heard. Bennett explained that an outline of assignments had been created for his group following that done this summer by the Museum Committee. He went on to mention progress reports on the following: Sunday River Snowroller restoration; mill exhibit to be loaned to Telstar Regional High School; the December issue of the Society's newsletter; the Dr. Moses Mason Award (to be announced shortly); the Broad Street exhibit to be dismantled; and the recently begun catalog of slides in the organization's holdings.

Vice President Newell then introduced Program Chairwoman, Geraldine Howe who conducted the "What's It" meeting, a discussion of items brought in the hopes of positive identification. An assortment of puzzling artifacts were examined. The piece of resistance was a recent acquisition donated by Albert Brown of Rumford Center. Some eight feet long in the shape of a trough with double handles at each end, the wooden box was identified as being a "hop bin." Speaking of its East continued on Page Eight

BETHEL FIRE DEPARTMENT TO HOLD OPEN HOUSE

As a result of improved resident awareness of the need for family home safety equipment, local fire departments are becoming more involved.

Due to technical improvements in the manufacture of Amerex fire extinguishers and Smoke Gard detectors, the product reliability has improved substantially and consumer costs have decreased.

Once again this fall, the Bethel Fire Department will provide continued availability of resident home safety through improving safety awareness.

To familiarize families of the community with this safety equipment, the Bethel Fire Department will hold an open house on Friday, Oct. 14, between the hours of 6 and 9 p. m. Also on Saturday, Oct. 15, between 11 a. m. and 4 p. m., at the Bethel Fire Station. Anyone interested in home safety is urged to come by the station on one of these dates.

If unable to attend the open house, call Burnie Rice at 824-2508 or Danny Davis at 824-2440.

HUMAN SERVICES COUNCIL HOLDING EIGHT COMMUNITY FORUMS

During October and early November, the Maine Human Services Council is holding eight community forums throughout the state. Their purpose is to enable the Council to become better informed about which human services are needed by Maine citizens, and to learn what the public thinks about the services currently provided by state agencies or with public funds.

The forums for this area will be on Oct. 18, at the North Dining Hall of the University of Maine in Farmington. The times are 1:30 to 5:00 and 6:30 to 9:00 p. m. Reservations are scheduled for at Machias Oct. 20; Presque Isle, Oct. 25; Sanford, Oct. 27; Bangor, Nov. 2; Augusta, Nov. 3.

It is hoped that each forum will result in a constructive and candid discussion of education, health, housing, income, community and social services and other human service issues affecting the people of Maine. The Council looks forward to hearing and responding to the comments and observations of the citizens regarding how the State may better address people's needs. It wants to know what the State of Maine's human services policies and programs should be. The community forums are intended to address the full range of human services. However, they are expected to focus on social services funded by Title XX of the Social Security Act. In addition, Kathleen Watson Goodwin, Chairwoman of the Maine Committee on Aging, and other members of the elderly community are working with the Council to assure that the forums afford a full opportunity to discuss such issues as homemaker services, elderly meals, transportation and home repair services.

ANDOVER MEETING TONIGHT SEEKS TO REMOVE TWO SELECTMEN/ASSESSORS

A group of citizens in Andover, calling themselves the Committee for Fair Taxation, have petitioned for a special town meeting to seek removal of two selectmen from office and, having had their petition denied by town officials, have gone to Justice of the Peace Robert Crane of Bethel to compel the selectmen to call the meeting. Scheduled for Thursday, Oct. 13 (tonight), at 7:30 p. m. at the Town Hall, the warrant to be voted on calls for removal of David Hutchins and George Chase from their posts as selectmen and assessors, with the positions to be filled within 30 days of their removal. Other articles give the taxpayers who have paid their 1977 taxes time to notify the tax collector that they paid their taxes under protest and order the selectmen and assessors to assess eventually at 100% of state valuation.

The Committee for Fair Taxation was formed following recent tax valuations which produced from 60 to 300% increases in property taxes. Legal counsel for the opposing groups do not agree on the legality of the proceedings. Reportedly Jeffrey Hole of the Maine Municipal Association has stated that the articles in the warrant are "wrong and illegal" while Attorney John W. Linnell of Auburn has advised the committee that the calling of a special town meeting for this purpose is legal.

Many Andover citizens, incensed by substantial increases in town property taxes will be attending tonight's meeting. The controversy has already forced the resignation of one selectman, William Helm, in September, and he was replaced in an election last week by Rod-erick Sidelinger.

Eveline Barrett, Corres.

I slipped, I thought the long holiday week ends were all over, and they are still going strong.

Several have taken trips around the mountains and other places to see the brilliant foliage.

"Root" Lawrence and Phelps Poland attended the Woodsmen's Day at Fryeburg Fair Monday.

Doris Lawrence was at Dr. Sokol's, Lewiston, Tuesday. Instead of giving her a flu shot the nurse had to go back Friday morning for the flu shot. I guess we all make mistakes at one time or another.

Vernal Harta is joining the unemployed class October 14, as he is retiring from Stowell's Mill at Bryant Pond.

Mr. and Mrs. Alphonso Ippolito, Newton, Mass., Mr. and Mrs. John Manning, Dorchester, Mass.; visited their uncle, Joe Barrett and Eveline, Saturday. They spent Saturday night at Mexico, going home Sunday.

Linda Cooper has moved to the Bob Johnson house.

At the Community Meeting Wednesday evening, the chimney was discussed, also the fuse box. A larger fuse box is needed, as the old one is only for fifteen amps. A Halloween party will be held, that will keep the youngsters off the street and is a good idea.

The temperature was 24° this morning, so I guess the frost was on the pumpkin and what ever else was in the garden.

(Bethel Emergency Ambulance & Rescue Service)

Item 1. To all of you who've given donations to the BEARS this past year or so, please know how grateful we are. There were over 50 of you who received a personal thank you, but we take space here to say one big THANK YOU from all the BEARS and your townspeople. With some of the money, we bought a much needed 10-ton Porta Power unit and a hand-operated Houlihan tool. Both of these are used in extrication procedures—to do what needs to be done to an accident vehicle in order to get to a victim and get him out, minimizing further injury.

Item 2. At the BEARS Oct. 17 meeting (7 p. m. at the Fire Station) these tools as well as the rest of the ambulance and equipment will be on display for all of you to review. Your awareness about the inside of the ambulance and what the attendants are qualified to do in case of emergency would be a service to yourself as well as the Bethel community. ALL BEARS are urged to be there to share with the people who respond to this invitation and to update their training in the special session to be held after the half-hour meeting. See you all there!

Clarice Gibson, Corres.

The last long week end before the cold sets in has come and gone. We took Grammie Gibson back to her daughter's and husband's place in Hampton Falls, Thursday night and came back Monday evening. We were certainly glad we were on the side going into Maine Monday, instead of coming out as one place on the pike the traffic on the other side, must have been held up in both lanes for over a mile and for miles further there were steady lanes of cars heading for the back-up. Friday I and Frank went deep sea fishing for the day. They left before eight and got back in around five. They had thirteen cod and haddock, so think they had a good day.

Saturday we went down to Plymouth and went through Mayflower II, saw the rock, and went through the recreated Plymouth village. We had a bonus, we hadn't expected as they were celebrating the harvest. The Indians supposedly were having a dance and chanting around a fire as a large fish was slowly cooking over it. The pilgrims were cooking over an outdoor fire and bread and cake in a large oven. They also had squash and other goodies. While a few were cooking the others danced and sang. When the food got done they all sat down to eat and give thanks. For those of you who haven't gone they have quite a few recreated houses one can go into.

Sunday it poured so Frank, Eddie Pevear and Ira stayed home to watch sports on TV while Grammie Gibson, Roberta Pevear and myself took in garage sales.

Monday we went to Salem and went through the witch house built in the 1600's. It is called the witch house as it is the house in which the trials were held for the people accused of being either witches or wizards. Nineteen persons were hanged and one person was crushed to death with stones during the two years of hysteria. Hundreds of others were accused and nearly that many jailed. After people calmed down restitutions were made to the kin of the persons killed.

We also went through the House of the Seven Gables. This has a hidden staircase we climbed which leads to an upstairs bedroom. The narrators were not sure why this was built, but one theory was that it was during the witch hysteria and was to keep members of the family who might have been falsely accused of being witches. Did you know in this era the average woman was 4' 11" and the average man was 5' 2" or 2'?

Also the paints were mixed with sour milk. Iron rust and sour milk for the red which was on so much of their furniture. Slate and sour milk for the gray and blueberries.

CARD OF THANKS

We want to express our heartfelt thanks to our neighbors and friends, Western Maine Supply, to the pall bearers, Earl Lane, Philip Korhonen, Arthur and Philip Gauthier for their expressions of sympathy, to Pastor Dale Thurston for his comforting words, the Greenleaf Funeral Home for their kindness and understanding in the loss of our mother, grandmother, great grandmother.

Hanover

— Pam Morton, Corres. —

A fire early Sunday morning flattened a camp at Howard Pond. The fire was called in by both Jim Ames and Paul Ramsey. When the Hanover firemen reached the fire it was decided that nothing could be done to save the building, so no additional trucks were called in. The heavy rainfall prevented nearby camps and forest from catching on fire. The camp, on the south shore, belonged to the Howard Dunn family of Rumford Point. Damage, estimated at \$1500, was covered by insurance. The cause of the fire is unknown.

A social evening was held at the Knights of Pythias Hall for members and their families. Edward Glover gave a reading by Holman Day and Mr. and Mrs. Kingsbury showed slides of their trips to Florida. The highlight of the evening was when the master of ceremonies, Charles Burnham, introduced the Grand Chancellor of Maine, who presented 30 year pins to Frank Worcester and Howard Glover.

Barbara Ellingwood attended the Maine Municipal Convention in Portland on Wednesday and Thursday.

Trida Ellingwood spent the week end with her grandparents, Mr. and Mrs. Freeman Ellingwood. Mr. and Mrs. Ramsey and Lisa went to Bowdoin College on the week end.

The Ferguson family went to Colby College to watch Doug Ferguson play in a game. Doug plays for Union College.

Cub Scout Pack 509 went on a trip to Jim Stewart's to see a honey farm.

You are cordially invited to an Open House honoring Dr. Thomas Nangle in appreciation of 30 years of faithful service to our area Sunday, Oct. 16, 1977, 2-4 p. m., Ledgeview Memorial Home Auditorium, West Paris, Maine.

Upton

— Mrs. Arline Bernier, Corres. —

Linda Chittum was hostess at a housewares party Sunday.

Mr. and Mrs. Andy Aron Sr. have gone to Connecticut to take their houseguest, Bessie, back to her home there.

Glen Svendberg entered the 10th grade in Errol last week.

Fred Judkins went Tuesday to Pomona Grange in Newry to be installed as Master. Among his remarks he recounted the first time he was installed as Master of Upton Grange. Among the guests was a young lady who later became his wife. This may explain his ardent interest in being prominent in Grange affairs. Maybe history will repeat itself.

Several attended the movie "For Pete's Sake" including folks from Newry as well as Upton. Several from town including the Murphys, the Svendbergs and the

BARRACKS & AUXILIARY #2943
The Barracks and Auxiliary No. 2943 met Oct. 5 at the Legion Hall on Vernon Street. An old fashioned boiled dinner preceded the meeting plus pies, cookies, fruit bars, tea and coffee for dessert. This was prepared by Maud Dandervill, Frances Bennett and Jane Van. Twenty-nine were seated at the tables.

The group entertained the following State Department officers: President, Ann Crosby, North Vassalboro; Asst. Guard, Mary Law, Bangor; Sr. Vice, Leona Curtis, Bethel; Jr. Vice, Aurea York, Waterville; Treasurer, who is also Past President of Region 1, Elmina Chase, Winthrop; Henry E. Law, State Department Commander; Floyd Chase, Adjutant Quartermaster for Department of Maine; also Howard Crosby, President Crosby's husband.

The meeting was called to order by President Mary Bishop. The charter was draped for Sister Lilian Young, who passed on to her final reward Sept. 28. She will be greatly missed by friends and family.

All of the group's membership dues are paid which makes it 100%. The afghan made by Mary Bishop and presented to the Auxiliary was awarded to Mildred McKenna. Ann Crosby gave a very interesting report on her trip to National Convention at Houston, Texas, also Mary Law filled in some instances as she also attended. It was a most interesting and complete report, including the business part of their mission and some of the little interesting happenings, not usually reported.

The Christmas Party at Togs will be Dec. 18. Lap robes, bibs, and beanies are still in order at any time the members want to.

Greenwood City

— Mrs. Collista Morgan, Corres. —

Many times I have taken the path to the hill beyond where I live. And again this week I strolled where red, gold, and flaming trees stood silent. Acorns crunched beneath my feet. I found a quiet place to view the beauty.

Each tree wore gypsy ribbons in her hair while the murmuring breezes were tattling to the leaves that fell like bits of calico beside the pond. They floated with the ducks out in mid-stream. They seemed like dreams wrapped in clouds as they drifted slowly away and vanished from sight.

"A lovely carpet made my feet is now formed by autumn leaves. With color scattered everywhere in the choicest pattern weaves."

Ruth H. Underhill

I followed October's trail across each field hoping to view all the mountains and ponds. The pines were stately, guarding trees bedecked in their gorgeous robes. The sky was azure blue and a few clouds floated by. So I stood on top of this wind blown hill, and looked at these mountains afar where the grandest artist had been at work with magic brush and dyes. Here and there some trees had resisted the beckoning call and were still emerald green, stubbornly trying to tell us that summer was only yesterday.

The sumacs stood like proud sentinels with reddish-purple plumes in their caps.

I purposely shuffled along in the deepest colors, so that I could hear the chattering of the crisp parchment-like leaves rustle beneath my feet.

I took pictures under October's smiling sun, to catch its Midas touch and everything that blazed with shimmering acres of sparkling gold.

The old adage well is the best of companions. Along its course I

wandered with safe assurance of a pleasant seat to rest and muse upon the glow of sunlight on the distant hills. A stone wall is both art and testament.

This is always one of my favorite walks and though I have done it many times over the years, I never tire of the scene. There seems always to be something new to watch on the ponds, something new to marvel at in the thicket of the woods, or to see in the fields.

Now I went to the section where my husband stopped to pick apples. The boughs were laden with bright red, dark red, and golden fruit. It was my task to keep the cows beyond the trees. No trouble for they came to visit then went their way.

"The fruit will be stored in the cellar."

In mountains of flaming red, To mellow our daily treats

On the cold, winter days ahead,"

Earle J. Grant

It was now dinner time for me so I crossed the wall, took a picture of my favorite lone tree, dropped down on the carpet of leaves, as colorful as calico, and rolled beneath the barbed wire fence. The leaf shapes were endless: the hand-shaped oak, the jagged maple, the oval of the yellow birch, which curls and discolors early against the advancing chill air.

Again, I had gathered the sight of a bird, the beauty of autumn, the scuffle of leaves, and the bark of the squirrel. All things once more that run across the hill-top pathway tucked in the edge of my memory.

We have seen two flocks of geese flying over.

Fifty relatives and friends of
Robert T. Davis, one from Alaska,
gathered at the Bear River Grange
Hall, Sunday afternoon, Oct. 9, to
honor him on his retirement after
39 years of faithful service as
postmaster here. The hall was
decorated in red, white and blue,
with a centerpiece of a mail box
on a post, with flowers around the
post, made by Ethylene Wight.

One wall had a piece like an en-
velope, with blue border and red,
white and blue stamp, addressed to
Robert Davis. The same wall had
streamers of red, white and blue,
done by the young folks of the
town. The cake was made by
Jeannine Fleet and was decorated
with a spun sugar eagle, the em-
blem of the postal service.

Gerard Ouellette, a postal
service Examiner, and Mrs. Evelyn
Stinson from the Postal Manage-
ment Center, Auburn, were pre-
sent. Ouellette presented "Bob"

To the Editor:
Being a senior at Telstar, I feel
it is about time someone spoke up
for the band.

I have been in the band for my
six years at Telstar, and can't
understand why anybody would
knock it, but yet they do.

There has always been a sports
vs. band competition at Telstar.
The question was which one should
have priority? When our football
team was really winning a few
years back, Telstar was all pro
sports. Anybody who had his wits
about him stayed out of band.

But around the same time our
state championship was won. At
that time, the band was in first in
the Class B competition, but did many
people hear about that?

Mr. Heffley, our band director,
told me that he didn't even know
what his budget was, he had to as-
sume that it was the same.

To me it seems that the sports
has always received special
grants and such, yet the marching
band has had the same uniforms
ever since Telstar opened.

And another question—are band
and sports considered equals when
one is judged for the National
State Championships? We practice
as much as the sports team does—5
times a week, and sometimes on
weekends and after school.

And so in conclusion dear
friends of this district, please re-
member the band when you see
us marching in ankle deep mud
during half time, or marching
down Locke Mills during Veteran's
Day when your fingers are so
numb you can't play your instru-
ment. Remember us on Memorial
Day when, while everyone else
has the day off, we go through
4 parades, sit through the same
speeches 3 times in a row, and
die from the heat.

I want sports and band to be
equals, and I hope that my suc-
cessors are able to have it.

Thanks a lot,
Gary Dunham

Oct. 7, 1977

To the Editor:
A representative contingent of
Bethel Senior Citizens met on Oct.
6, 1977, to explore ways and
means of obtaining a meeting
place for their use. I was asked
to submit to you a resume of the
meeting's highlights.

Present at the meeting among
others were Emily Saunders and
Cindy Kaley, both of whom had
reservations of the possibility of ob-
taining a federal grant which will
obviously be needed if a building
is to be erected, purchased or
leased. Their input was encourag-
ing and thoroughly competent.

Each one of these ladies acted in-
dividually as a responsible citizen
and not as a representative of any
governmental agency, local, State
or Federal.

Several committees were formed
to pursue the possibilities of
obtaining a site that may become
available. The consensus among
the Senior Citizens was that a
building devoted to the needs and
interests of Senior Citizens in the
Bethel area was an idea whose
time had surely come and was
long overdue.

Time is inexorable in the course
of human life. It is evident that as
the years go by the number of
Bethel Senior Citizens will grow.
The problems created by these
ever growing numbers will per-
force have to be met. Postponing
consideration will merely add to
the problem of satisfying the
needs of the Bethel Area Senior
Citizens. The dividends of any
reaped in improved health, con-
tentment and happiness among the
elderly are significant and far-
reaching. A meeting place is ob-
viously preferable to a hospital
bed or to aimless restriction to
loneliness and lack of activity
in one's own quarters.

On Thursday last a bus from
Iowa stopped near the Douglass
house in Mayville. The occupants
of the bus were obviously Senior
Citizens. They had come a long
way, indeed, to view the incom-
parable fall foliage of the Maine
country-side. I approached one
of the ladies who was pointed out
to me as the leader of the group.
They had quarters in Iowa to meet
their needs. A federal grant had
helped them. Many cities and
townships throughout New Eng-
land have Senior Citizens' cen-
ters. Why not Bethel? The need
is obvious. It is difficult to un-
derstand why it has been neglect-
ed for so long a time.

The Senior Citizens have asked
me to express their heartfelt
thanks to you for publishing the
problem; also to the Town Office
and to Mrs. Emily Saunders for
their intelligent and meaningful
input. Miss Kaley through her
research informed the group of
making application for a grant.
That information was invaluable

and germane to the entire prob-
lem. Since I am leaving here in a
very few days, I can only hope
that if and when I return to Beth-
el next year with God's will, I'll
be welcomed to one of the Senior
Citizens' meetings in their own
quarters. It would be a beautiful
addition to a beautiful town.

Sincerely yours,
Mark E. Cymrot

There isn't even enough time for love, so what does that leave for hate?

 Since they have entered there;
 To follow them were not so hard,
 Wherever they may fare.
 They cannot be where God is not,

Locke Mills

Mrs. John Mills, Corres.

The Locke Mills School was invited by the Greenwood Fire Department to tour the fire station last Thursday. The fire chief invited the children to examine the new fire truck and everyone got to use the horn. They were each given a fire hat. They were very pleased to be served refreshments. All of the children now have some work to do to help Smokey the Bear. All the children, teachers and parents that went really enjoyed themselves and appreciated the thoughtfulness of the firemen, in inviting them and working so hard to make the visit such a success.

The Community Club met at the Town Hall Tuesday evening with 12 members present. Games were enjoyed and refreshments were served by Vera Cross, Elsie Bennett and Cora Bennett. Cards were sent to sick members. The next meeting will be Nov. 8 and the committee for the month will be Mary Stone and Charlotte Cole.

Mr. and Mrs. Harry Swar, Sr. have returned from a trip to Michigan to visit their daughter and family. Mr. and Mrs. Lester Coolidge, Jr. Their granddaughter, Pam Howe, also went with them to see her parents.

Mr. and Mrs. John Mills, Mrs. Geraldine Shumura and Ralph Mills were in Dryden Monday afternoon to take some appliances to Mr. and Mrs. John Smith. Ralph continued on to SMVTI to return to his classes following the four day week end, and Mrs. Shumura returned to her home. Mr. and Mrs. Mills stayed for supper and spent the evening with Mrs. Smith as her husband had to return to work. While they were there they visited a shopping center in Farmington.

Mrs. Laura Seames visited her brother and wife, Mr. and Mrs. Lester Cole and Charlotte Friday evening and had supper with them.

Mrs. Marion Tibbets of Norway accompanied Charlotte Cole to North Windham Sunday where they visited Mr. and Mrs. Richard Smith and enjoyed supper with them.

Saturday evening, Mrs. Dana Melville and Miss Patty Savage hosted a baby shower for Mrs. John Snyder at the home of her parents, Mr. and Mrs. Richard Melville. The shower cake was made by Mrs. Roy Lurvey, Gorham. The shower was well attended by friends and relatives.

Mr. and Mrs. John Mills celebrated their 23rd wedding anniversary Sunday, Oct. 9. Joining them for dinner were their children, Ralph Mills and Mr. and Mrs. John Smith.

Mr. and Mrs. Everett Cross have returned after a 10 day trip to Connecticut, Ohio, and Nebraska. While on their trip they visited Mr. and Mrs. Roy Smith and family, Wallingford, Conn., Mr. and Mrs. Roy Travis, Louisville, Ohio, and Mr. and Mrs. Charles Palmer, Elmwood, Neb.

Mr. and Mrs. John Mills received word from Mr. and Mrs. Lloyd D.

HISTORICAL SOCIETY MEETS

continued from Page One

Bethel origins, Mrs. Howe read an excerpt from Eva Bean's history: "Hops used to be money crop on a great many Bethel farms. 'Aunt Katie' Holt was one of the old school who had picked hops as a girl and she kept in her shed chamber one of the huge handled boxes in which the poles were collected. Aunt Katie always believed that a hop-pillow truly applied would relieve a sufferer of any complaint from croup or colic. Her patients usually improved at once. Heated Hops do not smell like Chanel #5!" Katie Holt was Catherine Bean Holt, wife of Humphrey Holt who built (1866) the William B. Bartlett (now Arthur Chamberlin) residence in East Bethel.

After the meeting a social hour with refreshments was enjoyed by all. Among those present were Mr. and Mrs. Lewis Bissell of Jackson, N. H. (Mrs. B. is curator of the newly-organized Jackson Historical Society), Ms. Valory Krause, President of the Colchester (Vt.) Historical Society, and Mrs. Dorla Fudge, wife of Donald Fudge, Gould Headmaster.

Among recent gifts to the Society are: one pair of linen sheets and a pair of linen pillow slips made by Mary Chapman, the gift of Mrs. Dorothy Abbott, Bethel; one wooden butter paddle given by Mrs. Sarah S. Webster, Bethel; papers and documents pertaining to Bethel organizations, including the G. A. R. and the Bethel (Bethel Hill) Grange, from Mt. Abram Lodge I. O. O. F.

The Society is pleased with its growing numbers. A life membership has recently been established for Miss Ruth Crosby, Sunday River Road and Orono, Maine. Miss Crosby is the author of two books with area highlights; she also participated in the successful afternoon lecture series in August of this year.

GOULD FIELD HOCKEY CAPTAIN — Jenny Lesselbaum, daughter of Dr. and Mrs. Harvey P. Lesselbaum, Barrington, R. I., has been elected captain of the 1977 Gould Academy field hockey team.

The senior anchors the forward wall of the Huskies, and her play making ability has sparked the team in early season play. She is very active in other sports as well, and last year competed on the ski and softball teams while rounding out her activities with drama, music and student council.

PARTY GUEST — Esther Crockett was guest of honor at a surprise birthday party on Saturday evening at the Bethel Spa Restaurant. The room was appropriately decorated and a beautiful birthday cake, made by Thirza Herrick, was used as a centerpiece on the gift table. Refreshments of a variety of finger rolls, crackers, chips and dips, pickles, cupcakes, brownies, punch and coffee were served. Singing and dancing were enjoyed by those present who included many friends and relatives, including all her brothers and sisters. The affair was planned and carried out by the employees of the Bethel Spa.

Magnuson of Woodstock, Ill., that their son "Red's" wife, Kathi had succumbed to injuries received in a freak accident while they were moving into their new home. Kathi was riding on top of a tied down mattress in the back of their pickup truck when a heavy gust of wind tore it loose and picked up the mattress and Kathi and threw them to the pavement where she landed on her head. Mr. Magnuson is an old Army buddy of Mr. Mills and the family made many friends when they visited in the area one year.

Which Closing Costs Deductible?
Expenses connected with the sale of real estate over and above the selling price are known as closing costs. Some of these are deductible from your income tax—others are not. Property taxes are usually prorated so that both the buyer and seller each pay the taxes for the portion of the year that each owned the property. Each may deduct this amount—and only this amount—even though one or the other pays the entire amount. Another deductible item that appears in closing costs, is interest charged to you on the mortgage up to the date of closing. Also deductible as interest is the amount charged as points—provided they are charged as a premium for the loan of the money—not when charged for services. Non-deductible closing expenses are fire insurance, FHA mortgage insurance, and charges for rent for occupancy before closing. If there is anything we can do to help you in the field of real estate, please phone or drop in at EARLY REAL ESTATE, 60 Main St., Bethel. Phone: 824-2122, 824-2570. We're here to help!
